City of Oxford
110 West Clark St
Oxford, GA 30054-2274

Dear Mayor Roseberry

As a result of your city's participation in GMA's Delinquent Insurance Business License Collection program, I am happy to notify you that a check which includes delinquent and previously undiscovered licenses fees due your city by insurance companies in the amount of \$1,740.00 will be mailed to the person copied on this letter today. These otherwise uncollected taxes were realized through our contract with Municipal Revenue Services, a firm selected by GMA because of their expertise in discovering companies not currently paying the fee to your city and collecting delinquent fees.

To assist your city in complying with Georgia law, O.C.G.A. Section 50-36-1, that requires affidavits from companies and individuals receiving certain public benefits from the city, we are providing you with the addresses for each insurance company. For more information about this requirement you may wish to read about SAVE on our website, www.gmanet.com.

We will continue our discovery and collection efforts to discover companies that have not paid the license fees to your city and trust we will be able to secure additional revenue for your city from this source. If you have any questions about the program, you may contact Russell Winch or Peter Catlin of Municipal Revenue Services at 404-237-2280 or toll free at 888-255-0434 or Lou Comer of GMA at 678-686-6260 or toll free at 888-488-4462.

With all good wishes for the New Year,

Sincerely,

D. Lamar Norton
Executive Director
