Erik Oliver
402 West Clark Street
Oxford, GA 30054

Dear Erik:

On behalf of the City Council and all the citizens of Oxford, I want to thank you for your service on the Oxford Planning Commission. Sometimes telling you neighbors what they can do with their property can be a thankless task but I wanted you to know how much we have appreciated your efforts. We cannot have effective city planning and zoning without active and informed Planning Commission members. You have helped us keep what is good about our city and help make it better. And, we thank you.

Sincerely,
