PRESS RELEASE ANNOUNCING A PROPOSED PROPERTY TAX INCREASE

The City of Oxford today announces its intention to increase the 2026 property taxes it will levy this year by 7.53% over the rollback millage rate.

Each year, the Newton County Board of Tax Assessors is required to review the assessed value of taxable property in Newton County for property tax purposes. When the trend of prices on properties that have recently sold in the county indicates there has been an increase in the fair market value of any specific property, the Newton County Board of Tax Assessors is required by law to determine the new value of such property and adjust the assessment. This is called a reassessment.

When the total digest of taxable property is prepared, Georgia law requires that a rollback millage rate must be computed that will produce the same total revenue on the current year's digest that last year's millage rate would have produced had no reassessments occurred.

The budget adopted by the City of Oxford requires a millage rate higher than the rollback millage rate; therefore, before the Mayor & Council of the City of Oxford can set a final millage rate. Georgia law requires three public hearings to be held to allow the public an opportunity to express their opinions on the increase.

All concerned citizens are invited to the public hearings on this tax increase to be held at Oxford City Hall, 110 West Clark Street, Oxford, Georgia on July 27, 2026, at 9:00 AM and 6:00 PM and on August 3, 2026, at 6:30 PM. A vote will be held on August 3, 2026 at 7:00 PM.
