Dear Members and Friends,

You are encouraged to come to our annual cemetery foundation meeting on February 12, 2017 at 2:00 P.M. at the Oxford City Hall.

We will be brought up to date on the aerial photographs of the unmarked graves, our five year agreement with the City of Oxford, our finances, and any other items that need our attention.

I hope you will join Emmie and me in making an annual gift to the foundation which will honor our loved ones for years to come. Every gift goes into the corpus of the foundation. Your gifts are needed because though our corpus is growing our income does not cover our budget expenses.

Please put on your calendar this meeting for February 12, 2017 at 2:00 P.M. in the City Hall. I look forward to seeing many of you there.

Sincerely,

Tom H. Johnson, President
