Tennille, GA 31089

Dear Barry:

Please accept this letter as our notification of completion and our status letter for our LMIG project for FY2014. Our project for FY2014 was to patch and resurface West Soule Street for a distance of 0.452 miles. The LMIG amount allocated to Oxford for FY2014 was \$17,613.12.

We negotiated an intergovernmental agreement with Newton County for the county's paving crew to supply the labor and machinery for this project. The City of Oxford paid for the asphalt and hauling it to the job site. Our cost for asphalt from Pittman Construction was \$26,076.44 and our cost for hauling from three truckers (Jimmy Harris Trucking, Scott Harper Trucking, and Howard Hauling) was \$3,517.50. Striping from Mid-State Striping was \$721.85. The total cost of the project was \$30,315.79. We paid the balance of \$12,702.67 from our capital projects budget. Without the assistance of the LMIG program and from Newton County, we would not have been able to complete this project this year.

The project is complete and ready for final closeout.

Please forward copies of this letter to the appropriate offices within GDOT.

Thank you for your help with this project.

Sincerely,

Bob Schwartz  
City Manager
