

OXFORD PLANNING COMMISSION

AGENDA

MARCH 12, 2019 – 7 PM

1. **Opening** – Jonathan Eady, Chair
2. * **Minutes** – We have attached the minutes for February 12, 2019.
3. * **Charlene Bray Development Permit Application** – Charlene Bray has resubmitted a development permit application to request approval to install a metal awning over the back door and patio of her home. We have attached the revised development permit application.
4. * **Hugh Tarbutton** – Hugh Tarbutton would like to add an accessory building on his lot located at 1105 Wesley Street. In addition, he would like to make repairs to his pond. Before submitting the development permit applications for these two projects, he would like to discuss the process of adding an accessory building and making the repairs to the pond. The lot is zoned R-30. We have attached some preliminary drawings of the accessory building.
5. * **Art & Laurie Vinson Development Permit Application (2)** – Art & Laurie Vinson have submitted development permit applications for the following projects: 1. Construct a 2-car garage against the south basement wall of their residence; 2. Relocate an existing 14' x 18' structure to a location that would be compliant with the current setbacks. We have attached both development permit applications.
6. **Training** – The Carl Vinson Institute has scheduled a training class for Planning Commission members. The training will be held on Thursday, April 4th from 9:00-4:00 PM at the UGA Gwinnet Campus. We need to know if anyone is interested in attending.
